Human Informed Consent Form

Instructions to the Student Researcher(s): An informed consent/assent/permission form should be developed in consultation with the Adult Sponsor, Direct Supervisor or Qualified Scientist.

This form is used to provide information to the research participant (or parent/guardian) and to document written informed consent, minor assent, and/or parental permission.

- When written documentation is required, the researcher keeps the original, signed form.
- Students may use this sample form or may copy ALL elements of it into a new document.

If the form is serving to document parental permission, a copy of any survey or questionnaire must be attached.

Title of Project: Personality Disorder? No, Birth Order. A Study on the Correlation between Personality and Birth Order

I am asking for your voluntary participation in my science fair project. Please read the following information about the project. If you would like to participate, please sign in the appropriate area below.

Purpose of the project:

To find out if there is any correlation between personality and birth order.

If you participate, you will be asked to:

Answer a personality quiz and say in a form whether you are the oldest, youngest, or middle of how many kids and your personality type.

Time required for participation:

15-20 minutes

Potential Risks of Study:

None.

Benefits:

Helping with a science fair experiment and finding out your personality with 16 Personalities.

How confidentiality will be maintained:

Your personality results will be assigned a number instead of using a name.

If you have any questions about this study, feel free to contact: hannahbronson@parkchristianschool.org

Adult Sponsor/QS/DS: Shana Bronson Phone/email: shanabronson@outlook.com

Voluntary Participation:
